## PARENT NOTES

\*Seating will be tough to find since we perform so late. Arrive early for the best chance.

\*Parking isn’t the best, so plan to walk a bit.

\*One ticket gets you into prelims & finals. It would be very possible to watch us at 4:30, go to a local restaurant for a dinner, and come back to watch us in the evening. We should be in the back half of the evening times.
